

Custom-Cast™ Manufactured Stone Veneers:

Native Custom Stone's CUSTOM-CAST™ is a premier architectural stone veneer. The contemporary design provides the classic look of natural stone for any commercial or residential project. This new design will be available in four colors, two of which are pictured below.

Product Selection:

Aspen Buff™ Custom-Cast™

This warm solid color creates an even tone that is complimentary to any architectural design. Not pictured: **Aspen Buff™ Blend**
This is a combination of two buff tones that vary slightly, providing excellent dimension to any design.

Tudor Gray™ Custom-Cast™

This magnificent gray tone will compliment any interior or exterior design. Not pictured: **Tudor Gray™ Blend**, this is a combination of gray tones that vary slightly providing excellent Dimension to any design.

Custom-Cast™ Accents:

Custom-Cast™ Watertable/Sill & Accents

These pieces were created to compliment any of our stone veneer selection. Our sill provides a perfect pitch for water deflection. The 8" accent makes a beautiful addition to any construction project.
